Supplemental Whistleblower Submission Form

* Indicates mandatory field.

You may complete and submit this form if you wish to provide new/additional information to supplement a submission you previously made to the OSC's Office of the Whistleblower. Please refer to the original submission ID that you received at time of your initial submission of the Whistleblower Submission Form.

* Original Submission ID (example: WBF1234567890-123)

WBF1591284467-540

* What additional information do you wish to provide? Please describe. (max. 2000 characters)

Please note that Mike Cobb of ECI development has requested a retitling of shares from me. As noted in my email, I am not signing, and have not signed any documents not otherwise disclosed in my latest documents. I will not be signing any documents or requests forwarded to me in lieu of the ongoing investigation. I would also like to request any and all documents which are submitted by ECI Development be forwarded to me for verification purposes as I have already uncovered, potentially, FINTRAC verifying fraudulent documents which have been forwarded by them to the OSC. No formal KYC, or AML paperwork was signed by me personally, and any, and all documents with my signature should have verified delivery through my email mleapore@hotmail.com which is the only means of communication I have had with ECI Development. Also, since this company is not a registered entity where they claim, has not forwarded appropriate AML, or KYC documents to me, it is clear to me they are operating fraudulently and may be forging my signature.

Attached to this case supplemental is a copy of the email request my Mike Cobb. I will not be filling out these documents.
