AMMENDMENT v1.1

RECOGNITION OF POTENTIALLY COMPROMISED BOOKS AND FINANCIAL, INCAPABLE OF BANKRUPTCY.

During recent disclosure and billing, as well as discussion of current strategy and events with MARK LEPORE, authorized representation of MISSION IGNITION SYSTEMS LTD., and Plaintiff in the matter of Trust Fraud Law Framework Scheme involving multi organization targeting and organized crime, plot to murder, Plaintiff has made it aware that he is incapable of payment for the lawsuit at hand, and filing for bankruptcy has been made impossible due to Chartered Accountant attack on MISSION IGNITION SYSTEMS LTD. and MARK LEPORE by PRIDDLE-LUCK.

Due to these deeply seeded situations, council can empathize with the current situation of MARK LEPORE, resident of ONTARIO CANADA. Due to the overwhelming evidence at hand to target, and duty of Council must uphold as representative concerning the safety and care of MARK LEPORE in the current situation, an additional amendment V1.10 agreement has been struck.

1. MISSION IGNITION SYSTEMS LTD., has suffered irreparable damage during these frauds and coordinated attacks, and has been adrift without the ability to operate, file taxes, or operate due to public maleficence. It cannot be declared bankrupt due to irreversible damage done to the books, and the CORPORATE vessel will be abandoned at sea, declared immobile, non recoverable, with all assets seized by council (Mark Lepore Sovereign Citizen), as initial payment.
2. Assets of MISSION IGNITION SYSTEMS LTD., will be moved to personal holdings of Mark Lepore in trust of CORVIN HOLDING, care of MARK LEPORE as an OFFICER.
3. Due to non reply of asset holding of MARK LEPORE and MISSION IGNITION SYSTEMS LTD., from ALL regulatory agencies within CANADA, as well as their enforcement agencies, their cities, their CORPORATIONS, MARK LEPORE and MISSION IGNITION SYSTEMS LTD., have been forwarded documentation and full remedy by the CRA, OSC, and other relevant agencies which have not responded to the criminal activity leaving MARK LEPORE, MISSION IGNITION SYSTEMS LTD. All assets exposed in the adrift vessels MARK LEPORE and MISSION IGNITION SYSTEMS LTD, will be moved to CORVIN HOLDING, to be seized for payment to Mark Lepore.
4. It is again recommended to cut ties permanently to the CRA, the GOVERNMENT OF CANADA, or any of its constituents, and not participate in any taxation payments, or communications, until the matters resolved, as these can potentially further harm the already adrift COMPANIES MARK LEPORE and MISSION IGNITION SYSTEMS LTD. To further participate would implicate and frame MARK LEPORE as well as MISSION IGNITION SYSTEMS LTD. in a negative light for reporting illegal activity, and frame the Plaintiff in systemic fraud for the crimes it seeks to resolve and report.
5. Council will operate "pro bono" at its discretion in regard to the matter at hand, with the promise of attempting to resolve matters with full disclosure, however, 75% of the award moving forward will be granted to council for all additional work.

6. To re iterate. All matters must be totally resolved by assets within the CANADIAN GOVERNMENT as all agencies have been compromised before filing any taxes or further communication. Further communication of MARK LEPORE, or MISSION IGNITION SYSETMS LTD., will be implicitly denied to any CORPORATIONS OR INSTITUTIONS, as to not con-volute or target the Plaintiff during the existing matter of state (being attacked and vessel adrift).
7. Assets of MARK LEPORE will be seized and moved to trust of CORVIN HOLDING care of MARK LEPORE as an OFFICER of CORVIN HOLDING, and MARK LEPORE will be paid a modest wage in holding for care and distribution of funds to Mark Lepore, and Micheal Corvenous. This due to government complacency in targeting MISSION IGNITION SYSTEMS LTD. and MARK LEPORE while adrift. This will be done as a gesture of good faith and empathy towards the Plaintiff due to the situation at hand. This will allow for repayment of investigative legal dealings, et al.. in regard to these matters. Wages will be disclosed and discussed at a later date.

This amendment does not clear debt, but re allocates it as MARK LEPORE will now be employed in trust of Michael Corvenous and Mark Lepore for repayment of debts owed, including, but not limited to work done, awards disclosed, and payments made in regard to these legal matters.

This agreement is bound in blood / red ink by Mark Lepore AND Michael Corvenous, Sovereign Council and Representative of MISSION IGNITION SYSTEMS LTD. and MARK CARMEN LEPORE, signed in blue ink.
