RCMP – Federal Policing / National Security Division Submission

Previous reporting to Local Police, OPP Police, and RCMP yielded no investigation of stolen identification, even though Author of this complaint has not received mail for over 3 months. This investigation and complaint has involved prior submissions involving systemic fraud involving trust structures and as such the Author is making a submission in regards to potentially illegal withholding of mail.

Mail interception without consent is a federal offense under the Canada Post Corporation Act and Criminal Code. If it's tied to trust concealment or regulatory obstruction, it may also fall under organized financial crime or public corruption / infiltration of federal regulatory bodies.

Please inform the Author of this complaint, of any Trust instruments, or financial vehicles the Author is unaware of, causing judicial, or police redirects of mail to the Author of this complaint. Author reserves the right to use this submission for public release. Any non response, or redirect concerning non delivery of mail, can, and will be used in a court of law as evidence of potential criminal collusion tied to "trust" entites the Author is unaware of, and actively involved in with without knowledge.
