Censorship on /r/QuadrigaCX

As many of you now know, there have been numerous complaints of posts being deleted/removed that mention anything related to class action suits, etc. This subreddit has been created to mitigate that issue and provide relevant information for creditors.

The real issue is there's been links with QCX and the dark web (an assortment of criminal activity) And if your a member of QCX... did you not take photos of your Face with your passport & drivers license ?? Identity theft ??? This whole story just went way deeper down the rabbit hole. #scary
