An IRA, or an individual retirement account, is a common investment vehicle in the United States and around the world. It works by allowing individuals to save up for retirement while enjoying tax-free growth or tax deferment.

However, a traditional IRA doesn't allow you to explore the full range of investment opportunities. With a **Self-Directed IRA**, you'll have far greater choices available to you.

This is How to Structure Large Offshore IRAs

By Joel M. Nagel

[Post](#)[Share](#)[Share 0](#)

This post by international attorney Joel Nagel is for those with a large retirement account(s) who wish to invest in foreign markets. It's also for those who will invest their IRA offshore with leverage, a mortgage, or in a business or hedge fund that will return ordinary income rather than capital gains.
