We Have Your Report!

Report number: 192735218

Thank you for filing a report with the Federal Trade Commission and helping to fight fraud in your community.

The FTC does not resolve individual reports, but your report will be entered in the FTC's Consumer Sentinel database and will be available to federal, state, and local law enforcement across the country.

Your Next Steps

If you paid with an electronic bank transfer or withdrawal:

- **Contact your bank immediately.** Ask if the bank can stop the transaction or recover your money from the person's or company's account. Tell the bank the reason you want to stop the transfer, and give them the bank account number your money was sent to. Don't wait. Let your bank know as soon as you can.
- **If the bank won't help you, file a complaint with the CFPB at consumerfinance.gov/complaint**

Scam Advice:

- **If you're concerned a scammer has your personal information, like your Social Security, credit card, or bank account number, go to IdentityTheft.gov for steps you can take.**
- **Learn more about impersonation scams at ftc.gov/impersonators.** If someone says they are with the FTC, know that the FTC will never demand money, make threats, tell you to

transfer money, or promise you a prize.
